

Endorsers of AB 1648, the California DISCLOSE Act*

AB 1648, the California DISCLOSE Act, would fight back against unlimited hidden spending on campaigns by letting voters know who really is paying for political ads — on the ads themselves. AB 1648 would lift the veil on political spending so that voters can make informed decisions and give proper weight to different speakers and messages. It is a follow-up to AB 1148 (Brownley), which missed its 2/3 vote requirement on 1/31/2012 by only two votes.
